SUBJECT : [redacted] 25X1A

1. It is requested that each item on the attached Audit Report regarding nonexpendable Government Property purchased by the Contractor under the subject Contract or Task Order be reviewed for the following categories of purchase:

A. Whether incorporated or will be incorporated in the end item.

B. Whether it is of such a special nature that the Contractor is not reasonably expected to possess it.

C. The purchase is disallowed by the Contracting Officer because it is not necessary for the performance of the subject Contract and Task Order.

D. The purchase is disallowed by the Contracting Officer because the Contractor should possess this item in the normal course of his business.

2. Please indicate in the margin of the Audit Report the appropriate category of purchase (A, B, C or D) for each item or nonexpendable property.

3. Please sign and date your reply.

4. An expeditious return of the attached Audit Report with the appropriate category markings will be appreciated.

25X1A Reference: Contract [redacted]

Gentlemen:

After delivery of the Change Detector on the above mentioned contract, certain modifications were found necessary to meet the design objectives. These include modifications of the tip and tilt servos and film drive mechanisms and adjustment of the optical system. In order to perform these modifications, a contract extension through 31 January 1965 is requested. In addition, an authorized over-run of [redacted] is requested to cover the cost of these modifications.
